Richard Runkles
Brock LLC
2840 Wilderness Place
Boulder
CO 80301

Dear Richard,

We refer to your request for laboratory testing on the sample of 15mm Traditional Brock base supplied to our laboratory on 10/11/09.

The testing requested was Porosity in accordance with BS EN 12616: 2003

| Test Details | |
|------------------------|-------------|
| Sample Description | Test Result |
| 15mm Traditional Brock | 9000 mm/hr |

Should you wish to discuss further or have any questions please do not hesitate to contact myself.

Yours sincerely,

Sean Ramsay
